

Happenings at the Deaf Unit

Greetings from Cairo!

We have just had our first monthly meeting with parents, children and staff. We have started a new programme which brings everybody together once a month for training and activities. Everyone enjoyed the meeting and the children were very excited to be back at school with their parents. We also shared a meal together.

Suzan and Marina are the house-mothers of the boarding house. They recently enjoyed their first trip to the airport to meet some visitors. They were so excited with their new experience they shared it with all the deaf children.

Prayer requests:

Please pray for the current unstable situation which is causing a lot of anxiety, and continue to pray for the children because many of them come from families who do not communicate with them – pray for their protection and a special blessing.

We haven't managed to raise enough money for our new mini-bus. Please pray that that extra money will be forthcoming within 40 days otherwise we will not be able to take delivery of it.

Congratulations to Enas

On the 9th of June we celebrated the Wedding of Romani and Enas, who has been working at the deaf unit for 4 years. It was a great day of joy.

Student Profile

A group of our deaf students gave a wonderful performance at the Cairo Opera House. The show was led by Dr Mohammed abd El Wahab, a professional music teacher. The children had spent many hours practicing and it was great to see them give such a good show. The audience was amazed at how the deaf can 'feel' the music.
