

Happenings at the Deaf Unit and Church

Greetings from Cairo!

Mrs. Enas Samy

Strengthening and redefining the leadership of the school, Mrs. Enas Samy, who is well known to most who have visited the Deaf Unit, has been appointed Director of school and is responsible for all academic and residential activities. Her wealth of experience and love of children shines on us every day.

Additionally Mr. Seleem Wassef, a former director general of the ministry of Education, a lay minister of Anglican Church, and the coordinator of Imam- Priest Exchange interfaith initiative, has assumed the responsibilities of administrative Director.

Pray to our lord shine upon their faces.

At the beginning of this year, we asked for our Lord and His presence. At the end of the year, we were not praying to ask for anything, but to thank our Almighty Lord for His presence with us. Our Lord was here taking care of everything for the school, for the board and for every single child. So in this newsletter we thank our Lord for what He has done for us.

"I, the Lord, watch over it, I water it continually I guard it day and night so that no one may harm it." -Isaiah 27:3

That is what we believe, so our Lord, thanking you is not enough for all what you have done this year.

So we pray for every one of you beloved sisters and brothers to touch, feel, and smell His presence as we have been doing at the Deaf Unit, not because we were good, but because of His righteousness and His unconditional love.

We are also grateful to God for the visit of Beit Al Aila, a partnership project between Christian and Muslim leaders in Egypt. Some priests and imams came to the Deaf Unit. After seeing what we are doing with the children, they were amazed. One said, "does that really exist in Egypt?" We thank our Lord for this testimony because this glory does not belong to us but it always belongs to our Lord God.

At the end of the school year, we always do something special. This year, the students were very excited for the goodbye party. We went to a swimming pool to celebrate and have fun together. All the boys and the girls enjoyed it, so we thank our Lord for this special day. We don't deserve such goodness but we trust in our rich Lord.

We wanted the last three days of school to be fun for all the boys and girls, especially the grade 8 students. On Tuesday, we threw a party with Centro an Egyptian association. They made a fabulous party and a lunch with popcorn, cotton candy, and caps for everyone. We all had fun together. Special thanks to Centro and all the hard work they did. On the very last day of school we had the party with the parents of all the kids and Archbishop Mouner Anis honored the children. Thank you our Lord for this year and thank you our beloved brothers and sisters.
