

## Happenings at the Deaf Unit

## Greetings from the Deaf Unit!

We thank God for the last 3 months in which we were able to touch him.

“ every good gift and every perfect gift is from above, and comes down from the Father of lights, with whom there is no variation or shadow of turning”.

(James 1:17)

So in this newsletter we thank our Lord for what He has done for us.

Kirolos is from Upper Egypt, he is A five years old, last year we faced a lot of challenges with him. When he was in Upper Egypt, he was treated from Epilepsy. That medicine had a negative effect on his character, but thanks to the school, we discovered that he was not suffering from anything; he is just an active child. After second consultation in Cairo, we knew that this medicine was wrong and it was the cause of his lack of concentration, he will never use it again. Now he feels a great improvement in his personality. He is learning sign language and how to make lots of friends. He has learned also how to depend on himself when he is away from his family. Please continue praying for Kirolos.

We give thanks to our Lord for the gift of sports day with St. Rita team. It was a fun and joyful day, the children enjoyed a lot with the activities. They played together as members of one family, there were many games and activities like races, jumps and the spoon-in-the-mouth etc. The most popular were inflatable game and find the coin between the flour. The participating students were divided according to age. The team did a fantastic role play with title " We Are One "all the children enjoyed together.

We are grateful to God for the visit of the Burman group, for the second time this year visiting the Deaf Unit. They shared some songs with the children together and the children presented them a song in sign language.

We have prayed together for the school and thank God for his providence.

All the children were blessed in that day.

A few weeks ago we were delighted to welcome members from Lambeth Palace from UK to the Deaf Unit. We are grateful to God for this visit, A girl of the school was presented by one of the guests a tablet for her good work memorizing and learning by heart the biblical texts concerning the our attitude towards the Holy Spirit. She recited in front of the school students four texts full of verses about not to grieve, not to extinguish the Spirit within us but to behave and be filled with the Spirit.
