

Happening at the Deaf Unit

Welcome to a new school year! All of us are thrilled to begin our 2018-19 school year.

This year “ we trust in God “

God has promised never to leave us alone

And the Bible is filled with that same faithful promise to us: “I will never leave you nor forsake you (Joshua 1:5). For God has said, “I will never fail you. I will never abandon you” (Hebrews 13:5).

The Deaf Unit September 2018

One of the things we want to thank our Lord for is the summer camp in Hurghada with all the children and their parents.

We believe that **the summer** vacation should develop the child's mental and physical skills by exploiting them in useful activities and constructive so the summer camp was included some activities for children and some training for parents about how there can take care of their deaf children.

We at the deaf unit were excited to welcome all-newcomer students to school. On the first day of school. Students arrive with a mix of emotions. Most, however, are nervous.

Their Teacher does a lot to ensure their classroom is safe and welcoming on the first day of school. All of the efforts really do help new students feel welcome.

We wish all the students the best of luck in the academic year 2018/2019.

This year our goal is interested in activities so providing children the opportunity to choose from the activities such as football, Bing bong..... The children learn best when they're playing and enjoying themselves at the same time. Fun experiences increase levels of endorphins, dopamine, and oxygen, all of which promote learning.

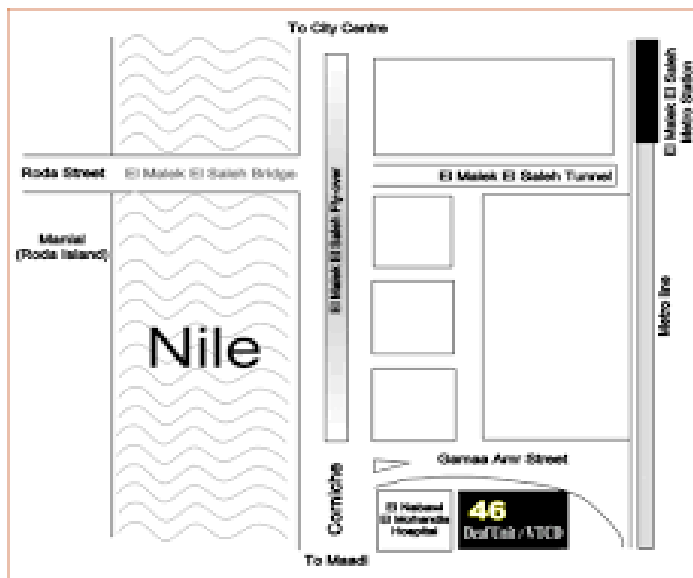

This year, we are delighted to welcome our new Manager. Her name is Dr. Mary Eshak.

We are very excited that she has joined our team and look forward to an exciting future with her as part of the deaf unit.

Dr. Mary has a history of 20 years at literacy for adults

She has a Ph.D in social service also she participate in publishing of the curriculum of the activities of the Upper Egypt schools.

Pray to our Lord shine upon her face.
